A. for Mrs. Honnert's leadership and contributions to the field of child welfare. Miss Daly was honored for her high standards of teaching and for promoting cooperation between the home and the school. Besides honoring the recipients, the purchase of the awards contributes to a scholarship fund maintained by the California Congress P. T. A.

MARIN DADS UNBEATEN IN SOFTBALL LEAGUE

Marin Dads Club defeated the Federal Public Housing employees at Memorial Park by a score of 7 to 3 to maintain a firm grip on first place with 4 wins and no defeats in the Recreation Department Spring Softball League. Sunday's game found the Dads Club weakened to the number of regular players attending the Boy Scout Camp; however, will be at full strength Sunday, May 26, when they take on the El Cerrito Improvement Club.

El Cerrito Y.M.I. Council No. 96 defeated their relatives, the Berkeley Y.M.I., at James Kenney, 14 to 3 to retain their hold on second place in the league. The powerful El Cerrito boys had the game well in hand scoring 5 runs in the first, 1 in the second, 1 in the 5th, 6 in the 6th and the final run in the 7th. Berkeley Y.M.I. was shut out until the last of the 7th scoring 3 runs after Manager McClain had injected some of his second string players in the game. M. Marcos, left fielder for the El Cerrito Y.M.I. was responsible for 8 put outs and made several spectacular circus catches fielding fair and foul balls.

The Albany Macabees upset the El Cerrito Improvement Club at Memorial Park by a score of 9 to 8 in a hard fought contest by overcoming a 6 to 1 lead that the Improvement boys had gained in the third inning. In the 4th, the Macabees began getting the range pounding out 10 hits in 3 innings; in the meantime holding El Cerrito 1m. to within 1 run of tying the score. Macabees trailing by a score of 7 to 8 in the last of the 7th inning scored on an error by the Improvement Club and went on to win by virtue of two consecutive base hits. Merle Gould of the Macabees has assembled a powerful club and will provide their future opponents a tough time.

Down at James Kenney, the Albany Exchange Club defeated the Albany Eagles in their half of the 7th inning by a score of 5 to 4 when Pitcher Tetzschler for the Eagles suddenly developed a streak of wildness allowing the 'Exchange' to score 2 runs. The trouble started when Tetzschler walked Howell and Miller, Villa forcing Howell on a ground ball to third. Eagle catcher interfered with Batter Reagle, filling the bases with the Eagle pitcher walking Runyon to force in the tying run followed by Cornell's tie drive to left fielder Nieper, Villa scoring after the catch. The Exchange Club looked like a much improved ball club, however, still maintains the title of the "Albany Bums" with 3 wins and one defeat.

Viarengos Guests at Surprise Dinner

Sergeant and Mrs. John J. Viarengo were guests of honor at a surprise dinner given them by the members of the Albany Police Department at Jim's Coffee Shop on Friday night, Chief of Police S. C. Williams reported today.

Sgt. Viarengo was presented with a wallet and Mrs. Viarengo received a corsage. Sgt. Viarengo was recently granted by the city council a leave of absence for one year beginning June 1 from the department, because of Mrs. Viarengo's health. They and their two children, Mary Frances and John will live on their fruit ranch near Ukiah.

More children from 1 to 14 lose their lives every year by accident than from infantile paralysis, pneumonia, scarlet fever, diarrhea, enteritis, whooping cough, measles and spinal meningitis—all combined.

Accidents are the leading cause of death among all persons from 3 to 28. They are the first cause of death among males from 2 to 38.

SPEAKER

John J. Cox, who addressed Albany Soroptimist Club on "Early Days in Alameda County."

John J. Cox, candidate for coroner of Alameda County, addressed members of Albany's Soroptimist Club at the Wednesday luncheon meeting. Cox talked about "Early Days of Alameda County." The birthday of the club's president, Grace L. Higgins, was celebrated at this gathering with the cutting of a huge birthday cake.

Reports of the nominating committee for the new slate of officers will be made by Sally Nelson at the annual business meeting Wednesday, May 29.

The Albany Club was recently feted upon its first anniversary by its sponsoring club, the Berkeley Soroptimists. After guests had been greeted by Dr. Helen Steinfeld, outgoing president, musical entertainment was presented by Mrs. Claire McGaw of Albany and Miss Maybelle Wilson of Berkeley.

Henry S. Villa Named Dealer For Studebaker

The wide grin seen on Henry Villa's face during the past weeks is going to take a long time to wear off. Henry has seen the sensational new 1947 Studebaker—"The Post-War Car, Ahead by Far." The long-time resident and businessman of Albany saw, gaped and was conquered. Studebaker appointed Villa to handle the new 1947 Studebaker sales and service in Albany. He states that "It won't be long now before the first really 'new' car will be displayed in our showrooms so that local residents may get a first glimpse of this brand new car for a bright new world."

Great was the enthusiasm at the Palace Hotel less than a month ago when the 1947 Studebaker lines were unveiled. Since then, newspapermen all over the nation have been loud in acclaim—all because the new models seemed to them to be the most revolutionary step taken in automobile designing.

When asked to describe the car that has all America talking, Henry could only say: "It's so beautiful—so sturdily built—so radically designed—that words alone cannot do justice in describing this new Studebaker."

Villa continued, "Just keep your eye on 929 San Pablo Avenue, and when you get to see the new Champion and Commanders you too will get that 'good to be alive' feeling."

The Post's activities at the camp included assisting the judges with the tabulation of points, guiding patrols to assigned camping areas, traffic control, fire prevention, and general program assistance.

Rex Ingersoll, Assistant Scout Executive, awarded the Post a banner for proficiency, announcing that without their assistance the Camporee program would not have proved to be the success that it was.

Members attending were Don Easter, Tom Ebert, Dick Miller, Jim Diani, Wilbur Charter, Bill Miller, Jim Roberts, Walter Elliott, Bob Muir, Don Ziegenfuss and Post Advisor, Frank Gray.

Transportation was furnished by the sponsors committee, headed by Ken Nickerson.

The regular meeting of the Post was held at Marin School, Wednesday evening, May 22, with the emphasis on civic service. Preparations were completed for the Post's whist party, which will be held at Marin School the evening of June 7th. This event is intended to bolster the equipment fund, enabling the Post to procure much needed camp cooking equipment, etc. Tickets for the whist party will be available this week.

TEACHERS' PAY BOOST ANNOUNCED

At a special meeting of the Board of Education on Tuesday, May 21, the Albany Board approved salary increases for all certificated and non-certificated employees amounting to 12½ per cent. Robert G. Larsen in answering the request of the Albany teachers for an "18 per cent increase stated that the Board realized the needs of teachers and the justice of their request, but the limited financial resources of the School District made it impossible to grant the complete request. The present increase would necessitate the expenditure of reserves accumulated during the past years.

Mrs. Delia Walton, president of the board, expressed the interest of the board in the welfare of the teachers as it relates to the welfare of children in the schools, and hoped for high standards in teaching as well as salary schedules. The yearly increase to elementary school teachers would average 263 a year while the increase to high school teachers would average \$320 a year.

The Board of Education also granted leaves of absence to Miss Sophie Ryan, high school English instructor and to Mrs. Olga Gratton, elementary teacher, for the school year 1946-47.

Kuchel Opens Controller Drive

State Controller Thomas H. Kuchel, appointed by Governor Earl Warren on the death of the late Controller Harry B. Riley, and now a candidate for election, arrived in San Francisco yesterday to open a week of campaigning in the Bay Region.

An attorney, a former legislator, and a veteran of World War II, Kuchel has no organized opposition for the State's most important financial position, and would be assured of election at the June 4 primary were it not for the possibility of a political trick based on a well known California voting habit. That habit is the re-election of good public officials.

WHY be a HOT WATER WAITER?

When your hot water faucets run cold it is a sure sign your home has outgrown your old water heater.

Remember this—that as families grow up, hot water usage increases. There is more laundering, more dishwashing, more fuss about personal appearance, more bathing.

Avoid annoyance of waiting for water to heat by having at least 30 gallons of hot water stored for instant use.

FREQUENT, CONVENIENT LOCAL SERVICE

Wounded American Soldiers at Normandy, France, June 8, 1944—Army Signal Corp Picture.

TO HONOR THE DEAD ... LET'S HELP THE LIVING

Never in history have so many given so much in defense of America—and asked so little in return.

To most Americans, World War II ended on VJ-Day. But for nearly 100,000 men confined to government hospitals—and for countless thousands of other disabled veterans whose minds and bodies bear the cruel scars of conflict—World War II will never be over. After 27 years of pain-racked experience and suffering, thousands of disabled AEF veterans of 1917-18 know this as the heart-breaking truth.

In the present difficult period of readjustment, the nationwide rehabilitation service of the Veterans of Foreign Wars is doing those things for veterans which the government is unable to do in their behalf—those things they cannot do for themselves.

The men who have given their lives—in times of war—to help make America a good country in which to live—in times of peace—sleep restlessly in their honored graves. Their souls will repose in peace only if we who live remain true to their memory; only if we who were

The increasing importance of veterans' affairs particularly commends the V. F. W. sale of Buddy Poppies this year. In supporting the V. F. W. National Home at Eaton Rapids, Michigan, this poppy sale gives the orphaned children of veterans an opportunity in life equal to that enjoyed by the average American child. These are both splendid purposes which recommend to all the wearing of a Buddy Poppy this year.

—Harry Truman

untouched by the brutality of war will never let ourselves forget how much we owe to those who did the fighting.

When you wear a Buddy Poppy on Memorial Day, America's disabled and needy veterans will know that your interest in their welfare is practical and sincere. Why is this true?

Because every penny of the proceeds of the annual sale of Buddy Poppies is devoted exclusively to veteran welfare and rehabilitation—and to the care and protection of homeless orphans of veterans.

As America's traditional "flower of remembrance," the Buddy Poppy is a symbol of our loyalty to that vast army of war veterans who must face the future with physical and economic handicaps.

Wear a Buddy Poppy on Memorial Day. Be counted among those who believe that practical and sympathetic assistance for the living—rather than imposing monuments—is the finest way to honor the vivid memory of America's hero dead.

John J. COX

An Undertaker for an Undertaker's Job!

for

CORONER

The Office of Coroner Is NOT a Doctor's Job!

Under the law, the Coroner is prohibited from performing autopsies, or post-mortems. Who does perform autopsies, then, in case of tragic, accidental, or unexplained deaths? In Alameda County there are two AUTOPSY SURGEONS, or medical examiners, both under civil service. It is these doctors who ascertain cause of death and report their findings to the coroner. The office of Coroner is NOT a doctor's job!

John J. COX

An Undertaker for an Undertaker's Job!

for

CORONER

The Coroner Should Be An UNDERTAKER!

For 24 years, until 1938, the Coroner's office in Alameda County was run most efficiently by an undertaker. There are 58 counties in California. ONLY THREE of these counties have doctors as coroners. The counties with undertakers as coroners find those offices most ably handled. An experienced undertaker will bring to this office the kindness and proper approach which people appreciate when confronted with sudden tragedy.

John J. COX

An Undertaker for an Undertaker's Job!

for

CORONER

The Coroner Is Paid for A Full-Time Job!

And John J. Cox will work full-time as Coroner! He will administer his duties fairly, impartially, sternly opposing favoritism and lax methods that are sure to creep in when a public official makes a side-line of the office for which he draws full-time pay. Mr. Cox will make personal investigation in accident and criminal cases, not leaving his duties to subordinates, as under the present system.

John J. COX

An Undertaker for an Undertaker's Job!

for

CORONER

Get Experience -- Not Experiments

With 25 years' experience as an undertaker, John J. Cox will bring to the office of Coroner the kindness and gentle consideration, and the integrity the importance of this position demands. Mr. Cox was born in Oakland 48 years ago. He has always taken an active part in civic and fraternal affairs. He is married and has seven children, including triplets.

John J. Cox

Is Supported by Leaders of Both Major Parties

Mr. Cox is now secretary of the California State Board of Funeral Directors and Embalmers, having been appointed to that office by former Governor Olson (a Democrat) in 1939, and reappointed by Governor Warren (a Republican) in 1943. Since the office of Coroner is a non-partisan office, it is logical that a man like John J. Cox be supported by leaders of both major parties.

John J. Cox

Is Sponsored by Many Albany Citizens

Many prominent citizens of Albany are active in support of John J. Cox for Coroner. Among the first to rally to his support were Joseph Villa, Ila Mae Wilson, Beatrice Raymond, Oliver Nelson, Mary Ann Loos, George Loos, and of course, those who are sponsoring this advertisement, Harold W. and May Ellis Olson.
